

TRAVEL AWARDS 2017

The details of the third Travel Awards competition, open to all the students at Gybon, are now available from English teachers. The first prize is 12,000 KC and there are two second prizes of 6000 KC.

The aim of the competition is to enable the winners to travel to England, any time between March and September 2017, and to speak, listen to and understand English there. For the first time maturita students at Gybon will be eligible to enter the competition.

The closing date for entries is 31st January 2017, with the winners announced by Headmaster Mr. Jan Šterba on 13th March and awards presented in May. Mr. Pavel Adamek is the organiser of the competition at Gybon.

The Travel Awards are organised and financed by former staff of AKS School, Lytham, under the leadership of former Headmaster Julian Wilde, to celebrate 22 years of partnership between AKS and Gybon. The present Headmaster of AKS Mike Walton and his wife will be visiting Gybon during the International Science Seminar in October.

Many of the previous winners have continued to travel widely. The winner of the first of the competition in 2011, Johana Macková, is now studying for a degree in Adventure Performance and Coaching at the University of the Highlands and Islands at Fort William in Scotland and one of the

2014 winners Klára Novotná has just begun her degree course in Electrical Engineering at Edinburgh University in Scotland.

English teachers will offer advice and guidance to Gybon students who are planning to prepare an application and all competitors are asked to study the guidelines for the competition very carefully before starting on their entry.
